14 In re: 15 Charles Kopf, 16 Debtor,	17 Case No. 11-14986-mkn 18 Chapter 7 19 Hearing Date: May 25, 2011 20 Hearing Time: 1:30 p.m. 21 Location: Foley Federal Building 22 Courtroom No. 2
---	--

23 **Opposition to Motion for Relief From Automatic Stay**

24 The Debtor in this case opposes U.S. Bank's motion to lift stay on the grounds of  
25 standing. This is U.S. Bank's motion, and it has the burden of proof to bring evidence that it is a  
26 party to this bankruptcy case. In the Debtor's filing, U.S. Bank is not listed as a known creditor.  
27 In U.S. Bank's motion, they allege that they are the secured creditor, but then provide documents  
28 that suggest otherwise. The Note provided names Five Start Mortgage as the lender and party  
that has a right to receive payments. The Note is not endorsed over to anyone. The Deed of  
Trust names MERS and Five Star Mortgage in a way that is a logically inconsistent  
impossibility, but U.S. bank is not mentioned. There is no evidence offered in the motion that

1 U.S. Bank is the Debtor's creditor. Perhaps the Counsel for U.S. Bank can provide a complete  
2 chain of title to validate the allegation that U.S. Bank is a creditor secured in an interest in the  
3 Debtor's residence. As it stands, there is no evidence that U.S. Bank is anything other than a  
4 stranger to this bankruptcy case.
